A pyramid diagram illustrating the flow of energy in an ecosystem. The pyramid is divided into three horizontal layers. The bottom layer is the largest and is labeled '植物' (Plants). The middle layer is smaller than the bottom layer and is labeled '草食動物' (Herbivores). The top layer is the smallest and is labeled '肉食動物' (Carnivores). The layers are stacked on top of each other, with the bottom layer at the base and the top layer at the apex.

A pyramid diagram illustrating the flow of energy in an ecosystem. The pyramid is divided into three horizontal sections. The bottom section is the largest and is labeled '植物' (Plants). The middle section is smaller than the bottom one and is labeled '草食動物' (Herbivores). The top section is the smallest and is labeled '肉食動物' (Carnivores). The labels are written in Chinese characters.
